

Sons of Zion
Zechariah 9:13-16

Rise up rise up sons of Zion
Rise up rise up fulfill the call Rise up

The Restoration of YHVH's Kingdom has begun
Judah and Ephraim we will be one

He bends Judah as His bow
The filling of Ephraim is beginning to show
The way to YHVH is straight and narrow
We are the space between the bow and the arrow

YHVH will be seen over us
His arrow shall go forth like lightning
He will blow the shofar and go out
in the whirlwinds from the south
He will defend us He will defend us

Our rock Messiah on Him we stand
The flock of His people extension of his hands
We will be like the jewels of a crown
Lifted like a Banner over His land

Judah and Ephraim sons of Zion fulfill the call
Judah and Ephraim sons of Zion fulfill the call

Rise up rise up sons of Zion fulfill the call
Rise up rise up YHVH's Word is a two edged sword

Rise up! Rise up! Rise up! sons of Zion

Stop the Sound of Babylon

Daniel 5:25

Mene mene tekal upharsin, The handwriting's on the wall,
Mene mene tekal upharsin, They don't understand at all.
The scriptures are quite clear, But men's voices are more dear,
Gotta stop the sound, Gotta stop the sound,
Of Babylon in our ears

The shofar is a better sound, Return, repent all around,
an Ephraimite army on the go
They don't stop their feet Or move. . . too slow.

Yehudah is the bow and Ephraim, the arrow
an Israelite army on the go
They don't stop their feet Or move. . . too slow.

Mene mene tekal upharsin, The handwriting's on the wall,
Mene mene tekal upharsin, They don't understand at all.
The scriptures are quite clear, But men's voices are more dear,
Got to stop the sound, Got to stop the sound,
Of Babylon in our ears

The Father's voice isn't far away,
But, it sounds close to a few,
Stop the sound of Babylon in our ears
Hear His still small voice, Abba. . . . Is calling you.

Mene mene tekal upharsin, The handwriting's on the wall,
Mene mene tekal upharsin, They don't understand at all.
The scriptures are quite clear, But men's voices are more dear,
Gotta stop the sound, Gotta stop the sound

The Sign of the Messiah

Life death and the number three
It's just like Mashiach said it would be
He would live, die and would rise again
Delivering us from the power of sin

There's a precious mystery, woven through the Word of God
When a man should die, but then he lives, by the grace of Adonai
His life is just a shadow of the One we are to see
So open your eyes, and see the Son
And look for the number three

Every time you notice a man of God stretch forth his hand
It's a picture of the Blessed Son defeating hasatan
Have you heard the words of Torah
Do you know and understand
That the victory is won and salvation will come
Through Yeshua's outstretched hand

Each and every picture reveals a portion of the plan
How Mashiach would live Mashiach would die
And He would rise again
The prophets tell His story by the portraits of their lives
And in the end we will prove their words
Because we too shall arise

Yeshua is Coming Home

Revelation 19:11-17 21:2

We will see the heavens open a white horse comes in view
And the name of it's rider is faithful and true
He has come to reign in righteousness
He will judge and he'll make war
Yeshua is coming home.

His eyes are a fire he wears many crowns
His garments are dipped in blood
His name it is written a secret name
His name is the Logos of Yah

And the armies that come with Him ready for the fight
Clothed in fine linen clean and white
In His mouth there is a sharp sword
To mow the nations down
Yeshua is coming home.

Every knee will bow and every tongue confess
The name that is written on His thigh
Melech Hamlachim V'Adon Ha'Adonim
A mighty man of war is El Shaddai

And an angel calls from heaven to the birds of the air
Come and take your fill the feast of Yah is prepared
And Jerusalem's descending the Holy city like a bride
Yeshua is coming home.

We will see the heavens open a white horse comes in view
And the name of it's rider is faithful and true
And Jerusalem's descending the Holy city like a bride
Yeshua is coming home

Messiah returns for His own
Yeshua is coming Messiahs returning
Yeshua is coming home

Holy Spirit Fire (*Rain On Me*)

Spirit of the living God
Here I stand with open heart
Holy Spirit fire rain on me
Holy Spirit send Your fire
This is but my one desire
Holy Spirit fire rain on me

Let my life be a flame
That burns on a hill
So all of your enemies may know
That Yeshua He is King
And He reigns ever more
And the end of His enemies is sure

Holy Spirit send Your power
Fill me with it hour by hour
Holy Spirit fire rain on me
Holy spirit make me bold
Burn the wood and leave the gold
Holy Spirit fire rain on me

Let my life be a flame
That burns on a hill
So all of your enemies may know
That Yeshua He is King
And He reigns ever more
And the end of His enemies is sure

One New Man

Ephraim and Judah One new man, two sticks make one in His hand
Ephraim and Judah hand in hand together we enter the promised land

Brothers in Yeshua one in Messiah together we will make Aliyah
Back to our land we will be sent the promise of Yah our Covenant

Ephraim and Judah One new man we are the promised of Abraham
Ephraim and Judah One new man too many to number like grains of sand

One new man two lamp stands we are the seeds of Abraham
Every nation tongue and tribe we are the Lion of Judah's Bride

Ephraim and Judah will be re-stored two witnesses stand before YHVH
Ephraim and Judah One new man one seed one people two lampstands

Ephraim finds his Hebraic roots Judah's eyes are opened to see the truth
Elohim and Judah's Lion will put our feet back on the road to Zion

One new man One new man together we will take our stand
One new man One new man will bring Yah's glory to the promised land

One new man will bring new life It's harvest time the fields are white
Up to the mountain of Yah we go One new man clothed white as snow

One new man One new man together we will take our stand
One new man One new man will bring Yah's glory to the promised land

Every nation tongue and tribe we are the Lion of Judah's Bride
Elohim and Judah's Lion will put our feet back on the road to Zion
On the road to Zion One new man

Open My Eyes
Psalm 119:18; 1:2-3

Open my eyes that I might see
Wonderful things hidden in Torah for me
Better than silver more desired than gold
For Torah is able to restore my soul
Open my eyes Oh Abba open my eyes

Open my eyes that I might see
Mashiach Yeshua on every page I read
He's the Living Torah He's the Bread of Life
A man may eat thereof and not die
Open my eyes. Oh Abba open my eyes

Blessed is the man who meditates
in Your Torah, both night and day
He's like a tree that's planted by
The rivers of water His leaf will not wither
And his fruit will bring forth in its season
In its season In its season In its season

The Wilderness Song

As you wander in your wilderness follow in His Holiness
Worship Him in brokenness and He'll restore your soul
Cast away your own desires onto His refining fire
And to all that you aspire let God take control

He'll bring rivers into your desert
He'll bring the bread of life for every hungry soul
And for all the pain you feel His anointing oil will flow
And His living word will guide you as you go

Even in your wilderness rest upon His promises
Be His child of righteousness cleansed in His blood
Make His word a guide to you trust in Him in all you do
Know that God will see you through all famine sword and flood

He'll bring rivers into your desert
He'll bring the bread of life for every hungry soul
And for all the pain you feel His anointing oil will flow
And His living word will guide you as you go
God can use your wilderness to make you whole
