

Seven Feasts

Come prepare a sacrifice to eat before YHVH
Death's angel will pass over you YHVH has made the Way

Come let us Celebrate all the seven feasts of YHVH
Come let us now rejoice fulfilling and obeying His Word

Take out the leaven from your heart remove it from your soul
Worship YAH in holiness and worship Him alone

Come take the bread of heaven manna without leaven is yours
Come purify your soul let the power of YAH take control

Give the first fruits of your lives give them to YHVH
Salvation and redemption are yours as you follow His Word

Come celebrate Shavuot when the marriage contract was given
Bask in Ruach Hakodesh who Yeshua sent from Heaven

Celebrate with trumpet blasts it's a call of awakening
Repent and turn from your sin look to YAH return to Him

Come let us Celebrate all the seven feasts of YHVH
Come let us now rejoice fulfilling and obeying His Word

The Day of Atonement's come Yeshua's blood covers our sin
His sacrifice has set us free it's drawing us back to Him

Build a Sukkah and celebrate worship praise and feast
Play shofars and tambourines let us shout and dance and sing

Come let us Celebrate all the seven feasts of YHVH
Come let us now rejoice fulfilling and obeying His Word

Rosh Chodesh

Rosh Chodesh Yah gave to us this sign
Rosh Chodesh part of His great design
Anticipated feast the cycle is complete
On Rosh Chodesh

Rosh Chodesh from Jerusalem comes the call
Rosh Chodesh sliver of moon appears for all
From one new moon to another
We will gather to worship Abba
A single day like no other is Rosh Chodesh

Rosh Chodesh Blow the shofar loud and clear
Rosh Chodesh Mashiach's return is near
The Prophets received the Word
The Voice of Yah they heard on Rosh Chodesh

Rosh Chodesh celebrate and sing
Rosh Chodesh appointed by our King
Every tongue tribe and nation
Come join the celebration
And dance in jubilation on Rosh Chodesh

From one new moon to another
We will gather to worship Abba
A single day like no other is Rosh Chodesh
Rosh Chodesh Rosh Chodesh

Journey of the Bride

Trim your wicks and fill your lamps
The Bridegroom is coming for His bride
We are betrothed to the King
Shabbat is our wedding ring

He is coming for a bride
Who walks in precepts of Torah
Shabbat Moadim His appointed times
Begins the journey of the bride

We are in covenant with the King
We are sanctified to Him
We are delivered we are redeemed
The cup of praise we'll drink with Him

Mashiach ben David
He is our Bridegroom He is our King

When you hear the Trumpet sound
Awake arise pick up your lamps
The bride has made herself ready
For the coming Royal Wedding

Mashiach ben David
He is our Bridegroom He is our King

We are in covenant with the King
We are sanctified to Him
We are delivered we are redeemed
The cup of praise we'll drink with Him

Mashiach ben David
He is our Bridegroom He is our King

The Betrothal Hosea 2:19,20

Arise! Shine, for your light is come!
Lift up your eyes, I am bringing you back Home!
Your eyes will shine and your hearts will thrill with joy!
And the wealth of the nations will become your own!

And I will betroth you unto Me forever!
Yes, I will betroth you unto Me in righteousness!
And in judgment, in loving kindness, and tender mercies!
I will even betroth you unto Me in faithfulness!

Your walls will be called "Salvation" and your gates "Praise"!
YHVH shall be your everlasting Light and Glory!
Your people shall all be righteous and inherit the Land!
For you are the works of My hands, that glorify Me!

Never again will you be called "Forsaken" or "Desolate"!
Never again will your enemies rejoice over you!
Your new name will be "The City of YHVH's Delight"!
And "The Bride" for Y'shua will be your Groom!

V'erastich lee v'erastich lee l'olam
B'tzedek uv'mishpat uv'chesed uv'rachamim
V'erastich lee b'emunah B'tzedek uv'mishpat
Uv'chesed uv'rachamim v'yadat et Elohim

And in judgment, in loving kindness, and tender mercies!
I will even betroth you unto Me in faithfulness!

"I do!"

Yisrael, my home, for a long while, I didn't care.
I knew in part of who you were, yet never knew how rare.
What a precious thing in the sight of God, the God of Yisrael,
He loved you, saved you, spared your life!
You're a nation none can quell...

Return, O daughter of Zion, I'm married unto you!
I've chosen you to be My own, for all eternity "I do!"
My love I give you freely, please give to Me your heart.
Forever I'll be true to you, for death cannot tear us apart!

You are calling for a people, to make a stand today,
In spite of all resistance, malice, fear, and hate,
From the ends of all the earth, one heart and one soul,
Returning back to Zion, the holy city of gold!

Take me home to the place where Your heart always is...
To come and kneel before Your throne, to worship at Your feet!
Take my hands and let them be, healing help to all in need.
Here's my heart, take it all Lead me home, and set me free!

I'm returning God of Yisrael, I'm married unto You!
You've chosen me to be Your own, and now I answer You, "I do!"
My love is freely Yours and I give to You my heart!
Forever I'll be true to You, for death cannot tear us apart!

No, death cannot tear us apart! My Bridegroom, here is my heart!

I Am Yours

Could it really be that I am chosen for your bride
Could it really be that we will journey side by side
I long to know Your heart Your smile
Your touch the way You pray I'm such
A lover of no other I am Yours

I'm trusting in the promises You made the very day
Our covenant was sealed before You had to go away
I said I will come back the very moment all is done
When My father's house is ready for the Bride of His Dear Son

Could it really be that I am chosen for your bride
Could it really be that we will journey side by side
I long to know Your heart Your smile
Your touch the way You pray I'm such
A lover of no other I am Yours

One charge You left upon my heart to trust in all Your ways
As I concentrate on growing into perfect bride-ly ways
This prince's bride of such a King
shall fear no harm while preparing
To walk beside her Bridegroom . . . the One true coming King

Could it really be that I am chosen for your bride
It will really be that we will journey side by side
I long to know Your heart Your smile
Your touch the way You pray I'm such

A lover of no other lover of no other
A lover of no other I am Yours

Under The Chuppa

Under the Chuppa the bride and Bridegroom stand
Chatan v'cala are standing hand in hand
Nations gather round to see the glory of Yeshuate,
And wait to hear the Bridegroom say
You are sanctified to Me ha-ray at m'koodehshet Lee

Drink the wine, break the glass and shout Mazal Tov

Celebrate the wedding feast and dance before the King
