## Psalm 122

I was glad when they said to me Let's go up to the house of YHVH  
And Stand in the gates of Jerusalem  
Jerusalem the built up city united and compact together  
There the tribes go up the tribes of YHVH

As a Witness unto Israel give thanks to the name of YHVH YHVH  
As a Witness unto Israel give thanks to the name of YHVH  
Hodu et shem YHVH Hodu et shem YHVH

There are thrones set for Restoration  
There are thrones in the house of David  
Pray for the peace of Jerusalem  
They shall be content that love you  
Peace within your walls there shall be  
Tranquility within your palaces

Pray for the peace of Jerusalem sha'ah'lu shalom Yerushalaim  
Pray for the peace of Jerusalem sha'ah'lu shalom Yerushalaim

For my brothers and companions I will say now Peace be with you  
for the house of YHVH I will seek your good  
I was glad when they said to me Let's go up to the house of YHVH  
And stand in the gates of Jerusalem

## Hear My Cry (Psalm 61)

Hear my cry O YHVH Attend unto my prayer  
From the ends of the earth I will cry unto You  
When my heart's overwhelmed  
Lead me to the Rock that is higher than I  
For You have been a shelter for me  
And a strong tower from the enemy

I will abide in Your tabernacle forever  
I will trust in the shelter of Your wings

For You YHVH have heard my vows  
You have given me the heritage of those who fear Your Name  
You will prolong the king's life  
His years as many generations

And he shall abide before You YHVH forever  
O prepare mercy and truth which may preserve him

So I will sing I will praise Your Name forever and ever  
That I may daily perform my vows to You alone

So I will sing I will praise Your Name forever forever and ever  
That I may daily perform my vows to You to You alone

## For Zion's Sake

Because I love Zion and my heart yearns for Yerushalayim  
I cannot remain silent I will never stop praying for her  
Until like the dawn her righteousness shines and her salvation like a torch

O Yerushalayim watchmen are set on your walls  
Day and night they will pray for you until the promises be fulfilled  
Take no rest all you who pray and give Our Elohim no rest  
Until He makes Yerushalayim a praise in all the earth

Then you will build up the former ruins strangers will come and feed your flocks  
They'll plow your fields and tend your vineyards  
You shall be called Priests of Elohim  
And among all nations it shall be known you are the seed YHVH has blessed

Go through go through go through the gates Prepare the highway for the people  
Cast up cast up gather the stones Lift up a standard for the people  
And say to the daughter of Zion Behold your Salvation comes

Then you will sing I will rejoice I will rejoice in YHVH  
My soul shall always be shall always be joyful in my Elohim  
For He has clothed me with garments of salvation  
And He has covered me with a robe of righteousness

Because I love Zion and my heart yearns for Yerushalayim  
I cannot remain silent I will never stop praying for her  
Until like the dawn her righteousness shines and her salvation like a torch

O Yerushalayim watchmen are set on your walls  
Day and night they will pray for you until the promises be fulfilled  
Take no rest all you who pray and give our Elohim no rest  
Until He makes Yerushalayim a praise in all the earth  
Until He makes Yerushalayim a praise in all the earth

## HIGH and LIFTED UP

He is high and lifted up and his glory fills the temple  
He is high and lifted up and his glory fills the earth  
He is high and lifted up and his glory fills the temple  
He is high, so very high above the earth

In the year that King Uzziah died  
I saw YHVH enthroned on high  
I saw Him in the Temple and beheld His Majesty  
The Angels they cried Holy Holy Holy Holy  
Is YHVH most high the King of all the Earth

He's YHVH! He's the Author of creation  
He's YHVH! the King of all the nations  
He's YHVH! the Grantor of salvation  
And He reigns so very high above the earth

In His kingdom there'll be no more fears  
No more pain and no more tears  
His glory it will fill the years with His Majesty  
The Lion and the Lamb find peace  
His Glory makes the darkness cease  
Our garments white and without crease for all eternity

## Secret of Your Presence

Past the Outer court I look to make it through  
And in the Holy Place my thoughts are all of You  
Take me behind the Veil to where I need to be  
Into that secret place and shine Your face on me

I want to be with You In the secret of Your presence  
I want to be with You far from the pride of man  
I want to be with You where nothing else can stay  
And in all I say and do to be with You

The Lamb of God was slain He became atonement for us  
He took on all our pain He remembered we are dust  
And now He's brought us through so we can overcome  
Let's come and enter in by the power of the Son

I want to be with You In the secret of Your presence  
I want to be with You far from the pride of man  
I want to be with You where nothing else can stay  
And in all I say and do to be with You  
And in all I say and do to be with You
